Address:

Lawrence, Lawrence

Price:

1500.00 \$

The car has around 175k miles on only 2 owners maintenance was kept up. It has some issues where it will start but has some rattling and won't accelerate properly. It has been a great car I put in a new catalytic converter about 1 year ago, has 1 year old tires the brakes are only 6 months old. New windshield wipers the oil was changed a week ago and has a full tank of gas. Willing to negotiate.
