Best acceptable offer! No one likes to think about death, but the fact is, costs continue to go up every year. I have Burial plots at Forest Lawn Memory Garden in the Faith Garden section. We have 4 lots available for best acceptable offer. Cost to buy from the cemetery is around \$3,500 each. Prefer to sell in lots of two contiguous lots, but will consider single lot sale. Shaded area with mature oak trees and a stream near by. Adjacent to Bonaventure Cemetery. We have the deeds and have verified ownership with the Cemetery office.
